1. The following is an examiner's statement of reasons for allowance: The reason for allowance is the provision of a hinged cover and hinged door positioned between the hinged cover and the printing mechanism and capable of being flipped up when the hinged cover is open to allow a sheet of paper from a stack to enter. The hinged door also includes a slot to providing a size limiting position so that photo paper, which is smaller than the sheet of paper from the stack, can enter when the hinged door is flipped down. The prior art does not teach or fairly suggest the hinged door with a slot in a relationship with a hinged cover as claimed in either independent claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
